

## Sponsorship Opportunity

The annual Blue River Cleanup Festival is one of our biggest events of the year! Our community comes together across Summit County to help clean-up our waterways and surrounding land. Together, we keep our watershed clean, participate in educational events and presentations, and celebrate the Blue River!

Our Event schedule includes:

- County Wide River Clean-Up with over 200 people expected to join
- SUP Yoga and Kayaks
- Volunteer Party at Frisco Marina
- Naturalist Presentations on ecology, water, wild mushrooms, and other topics
- Music and Beer
- Fly Casting Lessons
- Beach Party & Raffles including the Blue to Gold Raffle
- Games for the family focused on environmental education and more!

We have sponsorship opportunities available for organizations around the county who would like to support the 2023 Blue River Clean-Up Festival events, raffles, and programming.
